

Ontario's After School Program (ASP) Parent / Caregiver Survey

The Ministry of Sport helps fund your after school program and wants to know what you think!

Thanks for taking the time to share your thoughts!

1. Since my child has started the ASP, I have noticed (select all that apply):

- They are more interested in sports, physical activity or playing outside
- They are more interested in being with friends
- They have more focus on school work
- None of the above
- I'm not sure

2. Since my child started attending ASP, I am able to (select all that apply):

- Work longer or more flexible hours
- Save money (stop other childcare arrangements, such as a babysitter)
- Provide better support for my family (e.g., drive another child to a program, meal prep, grocery shop, spend more quality time with other family members)
- Provide better support to myself (e.g., attend a class, practice self-care)
- Have peace of mind that my child is safe in the after school hours
- None of the above
- I'm not sure
